

lasselsbergergroup

The LASSELSBERGER Group is a **European producer of raw materials, building materials and ceramic tiles**. Clearly structured into three divisions Ceramics, Minerals and Building Materials, not only the local domestic markets but also many international markets – mainly in Western Europe – are supplied by the production sites in Central and Eastern Europe.

As an **Austrian family-owned company** with a strong focus on growth, we manage the international business with our local companies from our **Headquarters in Pöchlarn, Lower Austria**.

SAP Inhouse Consultant (m/f)

In the area of C4C or SD LE

You would like to have a job where you are able to **make sustainable decisions** and **take over responsibility** while **acting in an entrepreneurial way**?

Our Group Applications Team is looking for additional **drivers of change** to join their team who can support on an international level the **evaluation and design of Group solutions** based on local requirements.

This means to us that you are ...

- ... the **first point of contact** for new and changed process requests for solution design, customizing and system administration (user, master data, organizational structures, etc.)
- ... **consultant and trainer** for the defined key users in all entities when introducing new processes
- ... **the link and communicator** between the companies, the existing internal SAP-team, and external partners

The following skills you bring along:

- Project and consulting responsibility in the respective area
- Practical experience with customizing and administration in the respective area
- Structured, pragmatic and solution-oriented way of working combined with quick comprehension and a high level of analytical thinking

What we offer you in this position:

- An **extraordinary challenge** and the opportunity to work independently on an **international area of responsibility** and **putting your own ideas forward**
- A **friendly and dynamic team environment** characterized by technical experts
- Your **place of work**: working remotely or via one of our Head offices across Europe
- **Type of employment**: unlimited contract, fulltime
- This position is **available immediately**
- The total annual gross salary is at least EUR 60.000 - depending on your qualifications and previous professional experience, overpayment is possible.
