

lasselsbergergroup

The LASSELSBERGER Group is a **European producer of raw materials, building materials and ceramic tiles**. Clearly structured into three divisions Ceramics, Minerals and Building Materials, not only the local domestic markets but also many international markets – mainly in Western Europe – are supplied by the production sites in Central and Eastern Europe.

As an **Austrian family-owned company** with a strong focus on growth, we manage the international business with our local companies from our **Headquarters in Pöchlarn, Lower Austria**.

In order to strengthen our international Team in the **Division Minerals-Silicate** we are looking for financial support as

Division Controller (m/f)

As the **right hand of the Head of Division Minerals-Silicate** you are close to the decision-maker, critically challenge data and present promising recommendations for further actions for our local entities abroad. Furthermore, your activities will be:

- Development of controlling processes and instruments as well as the reporting system
- Responsibility for the budgeting process
- Monthly reporting, as well as deviation and ad-hoc analyses
- Development of management relevant KPIs for the operative local entities abroad
- Development of cost accounting as well as product and manufacturer costing

The following skills you bring along:

- University degree - ideally business studies with a focus on controlling
- Willingness to set up, develop and restructure controlling processes on an international level
- Sound, in-depth knowledge in the use of relevant IT tools
- Structured, pragmatic and solution-oriented way of working combined with quick comprehension and a high level of analytical thinking

What we offer you in this position:

- An **extraordinary challenge** and the opportunity to work independently on an **international area of responsibility** and **putting your own ideas forward**
- A **friendly and dynamic team environment** characterized by technical experts
- Your **place of work**: Vienna or Pöchlarn
- **Type of employment**: unlimited contract, fulltime
- This position is **available immediately**
- The total annual gross salary is at least EUR 56.000 - depending on your qualifications and previous professional experience, overpayment is possible.
